

What to do if you've been in a car accident?

10 Steps

Step 1

Ensure Safety:

- Move to a safe location if possible.
- Turn on hazard lights to alert other drivers.

Step 2

Check for Injuries:

- Assess yourself and passengers for injuries.
- Call emergency services if there are injuries

Step 3

Call the Police:

- Report the accident to the police, even if it's minor.
- Obtain a copy of the police report.

Step 4

Exchange Information:

- Exchange names, addresses, phone numbers, and insurance information with the other party involved.
- Collect contact information from witnesses

Step 5

Document the Scene:

- Take photos of the accident scene, damages, and injuries.
- Note the time, date, and weather conditions.

Step 6

Do Not Admit Fault:

- Do not admit fault or make statements that could be interpreted as an admission of fault.

Step 7

Seek Medical Attention:

- Even if injuries seem minor, seek medical attention promptly.
- Keep records of medical evaluations and treatments.

Step 8

Contact a Car Accident Lawyer:

- Consult with a car accident lawyer to understand your rights and options. They will also guide you on what to discuss with your insurance company.
- Share all the details of the accident for legal advice.

Step 9

Keep Records:

- Keep a file with all documents related to the accident, including medical bills, repair estimates, and correspondence.

Step 10

Follow Up:

- Stay in touch with your insurance company, healthcare providers, and legal representation.
- Follow through with any recommended treatments.
